ON BEHALF OF ALL WYOMING STUDENT-ATHLETES

THANK YOU

FOR YOUR SUPPORT OF THE COWBOY JOE CLUB!
MESSAGE FROM THE AD

On behalf of all UW student-athletes, coaches and staff, I want to express how grateful we are for the support we received during 2020. The year challenged us in ways we never thought imaginable. Thanks to your support, we have maintained critical funding for scholarships, facilities, and a world-class experience for our student-athletes.

We are all optimistic that 2021 will bring better days and a return to normalcy. For Wyoming athletics, that process begins with you and your annual membership to the Cowboy Joe Club. By renewing your membership, you are giving our 17 varsity sports the best chance to compete and succeed in their intercollegiate athletic journey. Cowboy Joe Club proceeds fund so many important costs, such as scholarships; academic support; (staffing, tutors, teaching aids, etc.); achievement awards for coaches, 5th year scholarships, student-athlete welfare (concussion protection/management/treatment); mental health counseling; and so many other important initiatives.

Our financial losses in 2020 due to Covid-19 were substantial, but we are excited about the opportunity to come back stronger than ever. I encourage everyone to not only renew, butchallenge their fellow Cowboys and Cowgirls to join and help us return to the highest level of excellence possible.

Once again, the state of Wyoming will support the University of Wyoming Athletics Department by continuing its matching program, meaning your gift will have double the impact in 2021!

Again, thank you for your loyalty and impact on our 400+ student-athletes. I look forward to coming back stronger than ever in 2021.

Sincerely,

Thomas K. Burman
Director of Intercollegiate Athletics

The Scholarship Circle is comprised of a group of donors who are making a significant financial commitment, on an annual basis, to dramatically impact a student-athlete’s academic and athletic success. Scholarship Circle donors are assigned a specific student-athlete who matches the donor’s interest and criteria. Through this special giving society, donors receive the following benefits:

- Personal interaction with their assigned student-athlete throughout the year (within NCAA rules)
- Invitation to an annual reception for all Scholarship Circle donors and student-athletes

In 2020, there were 84 donors who were considered Scholarship Circle donors because of their $10,000+ membership contribution to Cowboy Joe. Contact the Cowboy Joe Club office if you would like to be a part of this special group of Cowboy Joe Club members.

Pat & Nancy Higgins are no strangers to the University of Wyoming community. Longtime supporters, they grew up in Cheyenne, WY. They are both graduates from UW with Pat receiving a B.S. in Accounting and MBA while Nancy received a B.S. in Education.

After a short stint as a CPA, Pat became involved with a beer distributor in Cheyenne. In 1987, he became the CEO of Orrison Distributing, Ltd. an Anheuser Busch wholesaler for Southeast Wyoming and the Western Slope of Colorado. His career continued to grow and he later served as the President of the Wyoming Beer Distributors Association alongside the Colorado and National Association.

Pat currently serves on the UW Foundation Board in addition to the College of Business Advisory Board.

Pat and Nancy have two children. Their daughter Megan Doerr lives in Philipsburg, MT with her husband Geoff. Their son Joe lives in Douglas, WY with his two boys Jaxon and Hunter. Joe is also a UW graduate now teaching 5th grade in Douglas.

Pat & Nancy established an estate gift to Wyoming athletics to ensure the continued success of the Cowboys and Cowgirls. “We have been longtime supporters of the Cowboy Joe Club and we have seen continued growth in quality programs like the Arena Auditorium renovation and the High Altitude Performance Center,” said the Higgins.

Estate gifts to the Cowboy Joe Club are one of the many opportunities to support UW student-athletes. Pat & Nancy stated that estate giving is an excellent way to ensure Wyoming Athletics are included in your plans.

Thank you to Pat & Nancy for their tremendous support of Wyoming athletics!

ATHLETE SPOTLIGHT

DRAKE JEFFRIES
Junior | Mattoon, Illinois

Being new to Laramie and UW, what are you most excited about in being a student-athlete at Wyoming?
I’m most excited about getting to play in front of this great state. Everybody is so supportive of Wyoming athletics and I love how much they cheer us on.

What has been your first impression of the facilities around athletics/campus?
The facilities are top notch here. There is no other place like it. Yes, we may not be at a power 5 school, but with these facilities I feel like I am.

If you didn’t play basketball, what other sport could you see yourself playing in college?
If I didn’t play basketball, I would be doing track and field. I was a triple jumper and high jumper in high school and I had Division I looks as a junior.

What would you like to be doing after you graduate – initial goals, career interests, locations you might consider living, etc?
I would love to continue playing basketball. The NBA is a dream but going overseas would be amazing. I have no specific place but I really would love to live in Spain.

What is your most memorable athletic moment/achievement/experience?
I would have to say just finally getting to play Division I basketball. I have dreamed of it since I was a kid. I started off at a Division II, then junior college, and now finally my favorite place, Wyoming.

Give us one fun fact about yourself that fans probably wouldn’t know.
Most people don’t know that I can speak a fair amount of Spanish and I love listening to Latin music.

TOMMI OLSON
Junior | Worland, Wyoming

Having roots in Wyoming, what does being a Student-Athlete at Wyoming mean to you?
Growing up in Wyoming, it has always been a dream of mine to attend the University of Wyoming, as well as play for the Cowgirls.

What has been your first impression of the facilities around athletics/campus?
It has always been a dream of mine to attend the University of Wyoming.

If you didn’t play basketball, what other sport could you see yourself playing in college?
If I didn’t play basketball, I could see myself playing soccer in college. I feel like it’s similar to basketball and when I played, I enjoyed it. I played soccer when I was really young and was on a traveling soccer team up until 7th grade. Basketball was non-stop all year round so I decided to focus on that.

What would you like to be doing after you graduate – initial goals, career interests, locations you might consider living, etc?
I would always come to basketball and football games with my entire family when I was growing up so Wyoming has always been a part of my life. The dedication of the fans is like no other as their support is never ending and they are always 100% committed to Wyoming Athletics. This is why I always give them 100% percent when they come to watch us play. So for me, now that I am actually doing that, it is truly an honor and I wouldn’t want to be anywhere else.

What is your most memorable athletic moment/achievement/experience?
I have a couple of athletic moments that are most memorable. First, my freshman year our team made it to the Mountain West Championship game for the first time in school history and when we were walking out of the hotel to go to that game, there were so many fans lined up in the hotel and it was so cool to see how much support we had. The next most memorable experience would be when we played our San Jose State game last year. They stood second in our league and we ended up beating them by quite a few. However, it was a really great game for us as a team, we executed our game plan, everyone was playing so hard and together on our team, it will always be one of my favorites. Along with that, the Utah State game at the Mountain West Tournament last year was also one of the most memorable because we came back from being down by a lot at half and eventually won.

Give us one fun fact about your head coach that fans probably wouldn’t know.
One fun fact about Coach G would be that he has such a good sense of humor. He makes us laugh every day, whether it’s his jokes, the songs he sings, or just him telling us stories. He is also caring; he will go around to every person on the team and ask how we are doing and what’s going on in our lives.
SAVANNAH WARNER  
Junior  |  Fort Collins, Colorado

What does being a Student-Athlete at Wyoming mean to you?
Being a Student-Athlete at Wyoming means that you work your hardest in whatever you do, you don’t back down from a challenge, and you always give your full effort in whatever task is at hand.

WHATEVER YOU DO, YOU DON’T BACK DOWN FROM A CHALLENGE

What have you enjoyed most about being at UW?
The thing I have enjoyed most about being at UW is the people I have met, not just in athletics. I have made many meaningful connections here at UW with fellow students and teammates. I have enjoyed the environment here, where most people are open and accepting of one another and our differences.

If you didn’t play soccer, what other sport could you see yourself playing in college?
If I didn’t play soccer, I could see myself playing basketball in college. I’ve played basketball throughout my entire life including playing all four years of high school. Being 6 feet tall most certainly helps in basketball as well.

What would you like to be doing after you graduate — initial goals, career interests, locations you might consider living, etc?
After I graduate from UW, I want to go to PA school, and then ultimately be a doctor at a youth clinic. I don’t have a specific place I would like to live, but preferably I would like to stay and live somewhere in this region like Colorado, Wyoming, Idaho, Utah.

What is your most memorable athletic moment/achievement/experience?
My most memorable athletic moment would have to be winning the Mountain West Conference. I don’t think anything can top that athletic experience. The joy and just pure happiness that I felt after we played our last conference game against CSU and found out that we won the conference is incomparable.

Give us one fun fact about your head coach that fans probably wouldn’t know.
One fun fact about our head coach is that he has a little girl around 10 years old. I recall when my family had my official visit to the school that my youngest sister and his daughter were buddies that weekend. It was extra special to have his daughter join us for such a special time in my life.

KIRBY COE-KIRKHAM  
Sophomore  |  Sheridan, Wyoming

Having roots in Wyoming, what does being a Student-Athlete at Wyoming mean to you?
It means so much! Being able to play for Wyoming and represent this amazing state and give back to the communities that have given me the chance to be successful and is really special.

REPRESENTING THIS AMAZING STATE AND GIVING BACK TO THE COMMUNITIES IS REALLY SPECIAL

If you didn’t play golf, what other sport could you see yourself playing in college?
I could’ve seen myself playing soccer in college, although it would be a long shot. It’s one of my favorite sports and I played my whole life up until high school when I had to choose between golf and soccer, but I like to think that I was pretty good at it.

Who would play you in a movie, and what type of movie would it be?
Probably John Krasinski, and it would be like a comedy mystery.

What are your career goals after you graduate?
I want to be a professional golfer on the PGA Tour and become the best in the world.

What is your most memorable athletic moment/achievement/experience (does not have to be at UW)?
Playing the Collegiate Showcase at Riviera! That golf course, playing with the pros, watching the tournament, and the whole experience was surreal and definitely unforgettable.

Do you have a hobby or skill that most people would not know about?
I was a gymnast and a diver growing up so I’m pretty good at flips and tricks and things like that.

Give us one fun fact about your head coach that fans probably wouldn’t know.
Coach Jensen probably could single handedly keep Starbucks in business when we go on trips.
Priority Parking has quickly become the most desired and popular benefit of Cowboy Joe Club membership. The tailgating atmosphere and new requests for premium parking have been tremendous over the past several years and we want to encourage this trend to continue! We want to make sure we are providing a quality experience for all of our donors in these lots. After conducting an internal audit of our current prices, donor preferences, and proximity to both War Memorial Stadium and the Arena-Auditorium, the following rules are in place for the 2021 Cowboy Football and 2021-22 Basketball Seasons:

- Football and Basketball parking will be allocated separately.
- Donors will be able to request lots for each sport based on their preference, availability, and priority points.
- Donation requirements will increase, or in some cases decrease, to match supply & demand in certain lots.
- Provide more value for those Cowboy Joe Members who have season tickets.

COMPLIANCE CORNER
IMPORTANT COMPLIANCE INFORMATION FOR COWBOY JOE CLUB MEMBERS
As a member of the Cowboy Joe Club, you are also considered to be a “booster” of UW Athletics. Maintaining the high standards of integrity with which all UW Athletics programs operate is of the utmost importance; therefore, please ask the Athletics Compliance staff if you have any questions concerning interactions with our student-athletes and/or our sport programs.

WHAT IS “EXTRA BENEFIT” AND WHY DO I NEED TO KNOW THIS TERM?
An extra benefit is anything that is provided to a student-athlete, their family or friends by an institutional staff member or a booster that is not available to the general student body or general public under the same terms. Providing UW student-athletes, their families or friends with anything considered an extra benefit jeopardizes their eligibility to represent UW in competition.

RECENT NCAA VIOLATIONS INVOLVING BOOSTERS
An NCAA Member institution is alleged to have provided the stepfather of a student-athlete with $800 and 12 nights of lodging valued at $3,500. Additionally, that same student-athlete allegedly received loaner vehicles and a $3,000 loan. Had this student-athlete not decided to forgo his last remaining year of eligibility in order to enter the NFL Draft, he very likely would have been ruled permanently ineligible based on the seriousness of the violations. At another institution, a booster impermissibly provided nearly $3,500 in extra benefits to a football student-athlete, including an impermissible loan, free use of an automobile, meals and other extra benefits. This violation contributed to the institution’s first ever Level I infractions case in their time as an NCAA member institution.
