

**COWBOY JOE CLUB
2025 MEMBERSHIP GUIDE**

**CELEBRATING YOU
CELEBRATING WYOMING**

WHAT IS THE COWBOY JOE CLUB

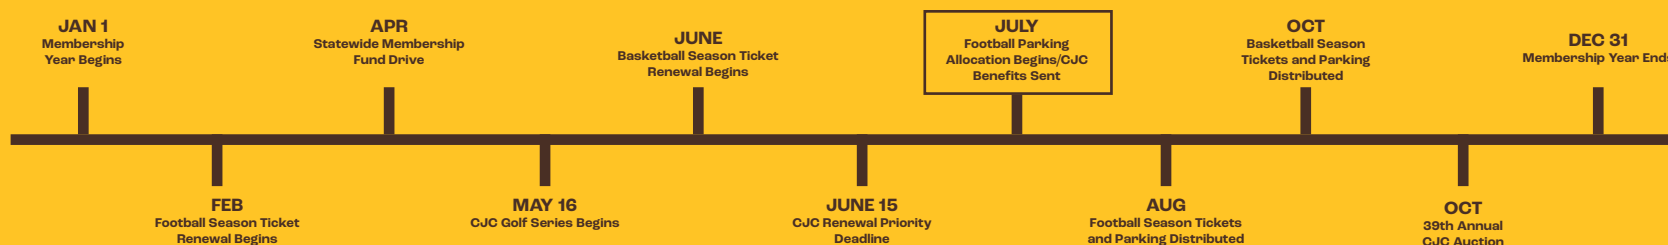

Founded in 1970, the Cowboy Joe Club (CJC) is the cornerstone of fundraising for the University of Wyoming Athletics Department. For over five decades, the CJC has been dedicated to supporting student-athlete scholarships and essential resources for UW. From scholarship programs and team travel to well-being initiatives, our members play a vital role in ensuring that the more than 400 student-athletes at UW have access to top-tier opportunities, both on and off the field, in their Laramie home.

WHY YOUR SUPPORT MATTERS

Your support of the Cowboy Joe Club not only makes a lasting philanthropic impact on UW student-athletes, but also unlocks exclusive benefits for you and your family within Wyoming Athletics. From premium gameday parking to invitations to special events, your contribution enhances the UW experience. We invite you to explore the full range of member benefits on page 4.

2025 IMPORTANT DATES

WAYS TO *give*

The Cowboy Joe Club offers many avenues for making an impact at UW. For full details, or to have any questions answered, please visit CowboyJoeClub.com or call the CJC office at 307-766-6242.

ANNUAL MEMBERSHIP

Our most popular way to give. By supporting the CJC through an annual membership, you will receive benefits commensurate with your level of giving. From gifts to gameday parking, more than 4,000 individuals give through annual CJC membership each year (full benefits found on following page). Annual membership can be secured through traditional cash contributions, as well as participation in our Steer-A-Year, W-Club, Ragtime Club or Courtesy Car programs (info available throughout membership guide).

CAPITAL CAMPAIGNS

Capital gifts that provide funds for new and improved athletic facilities are vital components to the success of Wyoming student-athletes. Naming opportunities are available through contributions earmarked for facility enhancements.

ENDOWMENTS/EXCELLENCE FUNDS

The Cowboy Joe Club is proud of the Athletic Endowment Program. Gifts to the athletic endowments are invested and a portion of the return is used to fund scholarships each year. This enables our endowments to grow and reduce the dependence upon the annual drive each year. A new scholarship or endowment can be created with a minimum gift of \$25,000, which may be funded over several years. Contributions can be made to the Cowboy Joe Club unrestricted endowment fund or to existing endowment funds as well.

CJC EVENTS

The Cowboy Joe Club hosts numerous events, such as our annual golf series and annual auction, each year. Participating in these events helps raise critical funds that are used for our scholarship fund.

HOW TO INCREASE *your impact* IN 2025

110%

ABOVE AND BEYOND

One of the best ways to make an increased year-over-year impact on UW student-athletes is through our 110% giving option. By committing to a donation that is at least 110% of your previous year's commitment, you'll continue to grow your legacy and further your impact. By choosing this option in 2025, you'll be entered to win one of 10 exclusive prizes, such as premium seating experiences, signed UW merchandise, and official team gear.

COWBOY UP!

One of the best ways to make an increased year-over-year impact on UW student-athletes is through our 110% giving option. LONG-TERM GIVING

The best way to maximize your impact and cement your giving legacy is through joining the all-new 7220 Society. By committing to a five-year cash pledge of \$7,220+ per year, you can earn exclusive benefits while impacting UW like never before.

Please see full details on the following pages.

Build your long-term legacy with a leadership gift to Wyoming Athletics!

5 YEAR EQUAL DISTRIBUTION COMMITMENT

2025	2026	2027	2028	2029
\$7,220+	\$7,220+	\$7,220+	\$7,220+	\$7,220+

By pledging to contribute at a level at or above \$7,220 per year, for five years, you will join the exclusive ranks of the 7220 society. Long term pledges are the most effective way for donors to make a significant impact on the Cowboy Joe Club. By committing to a long-term pledge, you can help the Cowboy Joe Club in its ability to plan multi-year investments into scholarships and resources for its student-athletes. This guarantees that your impact reaches multiple generations of Cowboys and Cowgirls. Additionally, planned long-term giving allows you, the donor, to forecast your personal investment into the CJC for an extended period.

The goal of the W-Club is to provide an opportunity to all Wyoming Athletics alumni, including former student-athletes who earned a varsity letter, coaches, athletic trainers, managers and Spirit Squad members, to continue to contribute to Wyoming Athletics. The W-Club is an exclusive segment of the Cowboy Joe Club that gives athletics alumni the opportunity to feel a connection to the current program and the current student-athletes. Please let CJC staff know you are an Athletics alumnus. Member Benefits include:

- \$50 annual matching gift for CJC membership
- CJC benefits at corresponding giving level
- Special W-Club gift
- New Graduates receive one (1) complimentary W-Club Membership that extends from their graduation date to the following December

Established in 1995, the Steer-A-Year program connects the Ag Industry & Community to the University of Wyoming Athletics Department. Through donating a physical steer, contributing \$200 in cash or above, or by transporting steers for gift-in-kind credit, your contribution will earn you a Cowboy Joe Club membership at that particular giving level. During the 2024 year, the Steer-A-Year program raised over \$268,000 through the contribution of 120+ physical steers. With the combination of cash donations, the Steer-A-Year program supports over 90 in-state student-athletes, the UW Rodeo Team and the Animal Science judging teams.

HOW TO JOIN

Donors that would like to contribute a physical steer to the Steer-A-Year program can contact the Cowboy Joe Club office to pledge their donation of single, or multiple physical steer(s). Cash donors can join the Steer-A-Year program through a minimum contribution of \$200 annually, and thus will be recognized as a feed sponsor. Cash donations can be contributed through the Cowboy Joe Club website, or through contacting our office.

LOGISTICS & PHYSICAL STEER VALUE:

Physical Steer Donors will be contacted annually in late summer, to coordinate the delivery of their physical steer(s) to a volunteer in and around their surrounding area. Volunteer drivers will thus transport the donated steers to Y-6 Feeders at Meriden, WY. All physical steer donors are asked to have completed brand paperwork, and an attached Steer-A-Year program provided ear tag for each of their donated physical steer(s). Donation credit and membership benefits will thus be credited to the donor's account based off the current market price. In 2024, the average weight of a donated steer was 600 lbs. which equated to a donation credit of over \$1,600. 2024 donated steer weights ranged from 300-1200#.

He always sings raggy music to the cattle as he swings back and forward in the saddle, on a horse - a pretty good horse!
He's got a syncopated gaiter, and you ought to hear the meter to the roar of his repeater; how they run - yes run!
When they hear that he's 'a-comin', cause the western folks all know, he's a high-falootin', rootin', tootin', son of a gun from ol' Wyoming,
